Prenatal Plus Program Provider Training

The Nebraska Prenatal Plus Program (PPP) is a new service initiated by Legislative Bill 857, designed to enhance prenatal care for high-risk pregnant women. The program is set to go live on 1/1/2025 and will run until 6/30/2028.

The Nebraska Prenatal Plus Program (PPP) offers a variety of services to high-risk pregnant women, including Targeted Case Management (TCM), Nutrition Counseling, Psychosocial Support, and Breastfeeding Support. These services are integral to improving maternal and child health outcomes.

Molina Healthcare, Nebraska Total Care, and UnitedHealthcare Community Plan will be hosting virtual townhalls to provide information on the program, as well as billing and claims submissions requirements. Please attend one of the provider townhalls below:
