## **CMS Final Rule 0057-F Prior Authorization Requirements**

List effective 12/31/2025

Nebraska Total Care needs pre-approval (PA) for some services. This notice has info about such PA needs. This applies to Medicaid offered by Nebraska Total Care.

Nebraska Total Care is committed to delivering cost-effective care to our members. Our members receive treatment that is medically needed. This is based on standards of practice. PA is a step started by the provider. We check the medical need of health care. We use medical criteria and/or in-network utilization.

**It is the provider's duty to find out which codes need pre-approval.**

Providers check member status and benefits before giving services. Payment depends on the member's status at the time of service. Non-par providers and facilities need pre-approval for all HMO services. There are a few exceptions.

Please see our [Pre-Approval Tool](#) for a current list.
